Blue Ribbon Magnets

Child Abuse Prevention Month

April is national Child Abuse Prevention Month and the Children's Action Committee (CAC) of Mendocino County is encouraging everyone to spread the word about the importance of children's wellbeing in our community.

In honor of this special month, the Mendocino County Police Departments, Fire Departments and Sheriff's Departments are participating in Child Abuse Prevention month by placing a Blue Ribbon, national symbol of child abuse prevention, on the Departments' vehicles. We are providing law enforcement with Blue Ribbon magnets and pins so they may declare their support for child abuse prevention in Mendocino County.

The Children's Action Committee advocates for a happy and healthy community through working to increase awareness and education. CAC is a subcommittee of the countywide Policy Council on Children and Youth (PCCY) — a state-mandated, collaborative group of agencies and community representatives working together to improve the quality of services provided to children, youth, and their families in Mendocino County. Although connected to a mandated collaborative (PCCY), CAC has grassroots representation that is strong, committed, and broad-based.

Look for blue ribbons in support for Child Abuse Prevention month! Thank you for showing your support.
